Run 2 ImThinkingOfANumber v1.0

ImThinkingOfANumber v1.0
Type '9999' to exit.
I'm thinking of a number between 1 and 1000. Guess by entering a
number and pressing return.
500
Too low. The number I'm thinking of is higher. Guess again.
750
Too low. The number I'm thinking of is higher. Guess again.
875
Too low. The number I'm thinking of is higher. Guess again.
950
Nice try, but the number I'm thinking of is lower than that. Guess
again.
925
Nice try, but the number I'm thinking of is lower than that. Guess
again.
910
Nice try, but the number I'm thinking of is lower than that. Guess
again.
905
Nice try, but the number I'm thinking of is lower than that. Guess
again.
901
That's right! You guessed it!
It took you 8 tries to guess the number.
